Subject: March 4th Agenda Item-Grant for Outdoor Education Program

Dear Leslie,

I'm not sure I will be able to attend in person. As an original board member, I want to add my endorsement of the grant for the outdoor education program. This program has long-term benefits irrespective of the journey students choose after participating.

Both of our children had the opportunity to participate. Joanne took her adult ed. and GED students to the ropes course and participated herself. A fulfilling experience!

By the way, I understand, San Bruno Park School District Principal (El Crystal) August "Gus" Xerogenes was one of the educators behind establishing the program.

A great way to leave a lasting mark!

With kindest regards,

John McGlothlin
